Re: REMINDER! KCIA Tenant Meeting – November 18, 10AM

Following the driest summer in Seattle history and the most rainfall in a single day just weeks ago, could a serious ice or snow season be the next challenge we face? Our staff has learned that being prepared is the best plan in dealing with the unexpected. To make sure that you, and we, are ready to face potential inclement weather, the Airport will hold a **Tenant meeting on November 18th** to discuss, among many things, the plan for snow removal and de-icing.

Please **attend the meeting** and **ask other pilots and line personnel to join you.**
